

APPENDIX B. GMP PRE-ASSESSMENT CHECKLIST

The second of the Microsoft Forms surveys is intended for the SMF to fill immediately prior to the on-site visit, in order to assist the GMP researcher and the SMF focus on the most prominent issues during the limited on-site evaluation time.

To manage this form and collect responses and other admin tasks go to <https://tinyurl.com/2ry3b9ez> . To take the survey, go to <https://tinyurl.com/2s4fu8cr> . Full text and links for this survey are also available in GitHub for download at <https://gmpfoodsafety.github.io/UNL-GMP> .

GMP Pre-Assessment

This pre-assessment aims to identify any key food safety issues you may currently have at your facility, in order to maximize productivity during our upcoming training assistance visit to your food establishment. When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself. Should take no more than 5 minutes to complete.

When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.

GMP Pre-Assessment Checklist

- Describe the list of products produced at your establishment (Product name/type description, recommended storage temperature, and shelf life).
- Describe the number of food production areas (Number of food production rooms, number of food receipt and storage areas, number of refrigerated or frozen storage units or walk-in freezers).
- Briefly describe how you clean and sanitize the majority of your equipment and utensils, and at what frequency. Indicate the main detergent and sanitizer utilized.
- How many supervisors are normally present during production to identify sanitation failures and follow-up?

5. How do you handle pest control, managed in-house, or contracted to a reputable pest control company?

Enter your answer

6. How many handwashing stations and restrooms are readily accessible in the production area?

Enter your answer

7. Do you store or produce any animal by-products? If yes, indicate what kind.

Enter your answer

8. List any tests or monitoring that you document in writing such as cooler temperatures, food temperatures, or food pH, etc. Please, indicate frequency of each type of test.

Enter your answer

9. Anything else you would like us to know or prepare for prior to our visit?

Enter your answer
